

How to Dispose of Garbage and Recyclables in Kasugai City(Summary Version)

'Gomi station' is a designated garbage collection that should be kept clean by everyone who uses it. Please follow the regulations and put out garbage and recyclable items.

- Burnable garbage, non-burnable garbage and plastic containers and packaging should be disposed of in their respective designated bags. Designated bags can be purchased at supermarkets, drugstores, and other stores.
- Put your recyclable items or garbage out at the designated 'Gomi Station' in your area by 8 a.m. on the specified collection day. Do not put them out the day before.
- Collection days for each district are listed in the "Recyclable and Garbage Collection Schedule" available at public facilities.
